

Get the Summer Spa Look at Facelogic Spa with the Sue Devitt Finishing Touch

Exclusive to Facelogic spas, the Finishing Touch is a 3 step express touch up developed to ensure your skin looks and feels it's best – glowing with vitality, energy, and perfectly finished.

- 1) Microquatic™ Luminous Finishing Mist** – Creates healthier, glowing skin with every mist thanks to Ceramides Type II Amino Acid Peptides, Vitamin C and Hyaluronic Acid.
- 2) MQ Fortifying Primer/ MQ Blue Anti-Aging Primer SPF 30** – These unique treatment primers deeply hydrate as they infuse energy into the skin, delivering immediate results to nourish and rejuvenate your complexion.
- 3) Triple C-Weed Pressed & Loose Powder** – Offering a silky smooth finish and maximum control over shine, Triple C-Weed powders are mineral and nutrient rich, containing powerful antioxidants that help fight free radicals to keep skin looking and feeling fresh and more youthful.
